VIDEO SELF MODELLING INTERVENTIONS

## **VSM@Home Online Course is LIVE!**

I am so excited to share the launch of my VSM@Home online course with you after trialling with very some very special 'tricky kids' and their families.

### **VSM@Home Online Course for Parents and Carers is now available!**

VSM@home (Video Self Modelling) brings an innovative technique to the home for the very first time to support and teach children and adults with special needs and within their own environment the basic communication and life skills that have not been possible before.

### **Opening up possibilities for 'tricky kids' and their families.**

#### **NDIS Approved**

If you have a Plan Managed fund or Self-Managed fund you can apply to pay for the course through:

Capacity Building - Training For Carers/Parents  
Line number - 15\_038\_0117\_1\_3

When you sign up, selecth the NDIS option and we will send you an invoice that you can forward to your plan manager, once approved we will provide you with access to the course.

**NDIS Registration**

## NON-NDIS

I welcome all families, so if you **do not** have an NDIS Plan Managed fund or a Self-Managed fund you are most welcome and I look forward to supporting you and your tricky kid with VSM@Home.
